The Deacon Board has entered into a contract with Total Paving and Brick Services, Inc., to reconstruct the west and southwest parking lots. The three-day project is scheduled for late in July with adjustments for foul weather.

Funding for this project will include the 2014 year-end gift, existing money in the facility fund (donations for building use), memorial gifts, and money from the General Fund. Thank you for your generous donations and thanks to the families who encouraged this project by allowing the use of memorial gifts.
