The Deacon Board has entered into a contract with Total Paving and Brick Services, Inc., to reconstruct the west and southwest parking lots. The three-day project is scheduled for late in July with adjustments for foul weather.

Funding for this project will include the 2014 year-end gift, existing money in the facility fund (donations for building use), memorial gifts, and money from the General Fund. Thank you for your generous donations and thanks to the families who encouraged this project by allowing the use of memorial gifts.

A Community of Character

Six Words Can Change a Community

The word for July and August is:

"Safety"

I take action to address harm.

We want to thank everyone for their prayers and for all the support you've given us through our journey. Our wedding is July 25th at 3:30 p.m.

The ceremony will be held here at Grace Missionary Church. Everyone is welcome to join us as we take a big step in our lives. Thank you all!

Sincerely, Jake and Julia

The Many Hands Project:

For the past week Grace Missionary Church has hosted the Many Hands Project. This ministry involves high school age youth from four area churches. The youth were helping senior citizens and others in need in our community with many different projects including yard work, cleaning basements, painting, breaking out concrete. There were approximately 75 youth and 30 adults. This is the sixth year that GMC has been involved. Breakfast was served Monday through Saturday and dinner on Thursday evening. It was inspiring and encouraging for us to see these youth so involved in ministry

Overflowing With Thanks

Thank you to everyone who so generously donated supplies for VBS.
