Darlene Werner is going to have her treatment and she needs us to help her visiting Dick and helping him with food and groceries, this is a note she send us:

"I appreciate GMC's assistance with helping out my Dad during this time. If someone from GMC wants to bring a meal or groceries over to my Dad, just put them in contact with Karina to coordinate with other friends that are going to be helping. By the way, he doesn't have a microwave. Also, he is not supposed to eat lettuce. If Dad needs groceries, it is probably best for someone to grocery shop for him and bring him the food. Otherwise, please take the wheeled walker which has a seat (stored in his car's back seat). Most stores are too large for him to walk through without sitting down for a rest. If anyone is going to visit Dick, they should definitely call him before they go there to let him know they are coming and see if he needs anything. Be prepared to talk loudly if he forgot to put his hearing aids in and call back a little time later if you don't get him on the phone."

There is a sign-up sheet on the welcome center for people who wants to help. Talk to Karina for more information. We are going to start helping on February 13. Thank you!

Would you be interested if the church plans a trip to the Ark Encounter in Kentucky toward the end of June? We are

thinking of leaving the church on a Sunday after the Morning Service and coming back on a Tuesday. We may use the church van depending on how many people are traveling. Please express your interest by signing up on the welcome center. We need a response by February 16. You can get more information at www.arkencounter.com
